*Privacy Act*

## Introduction

The *Access to Information Act* (Revised Statutes of Canada, Chapter A-1, 1985) was proclaimed on July 1, 1983. The *Access to Information Act* (the “Act”) gives Canadian citizens and permanent residents a broad right of access to information contained in government records, including Crown corporations and agencies, subject to certain specific and limited exceptions.

Canada Hibernia Holding Corporation (“CHHC” or the “Corporation”) became subject to the Act on September 1, 2007.

This Annual Report to Parliament on the *Access to Information Act* is prepared and tabled in Parliament in accordance with section 94(1) of the *Access to Information Act* covers the period from April 1, 2023 to March 31, 2024.

The Corporation was established in 1993 under the *Canada Business Corporations Act*, to hold an interest in oil and gas exploration and development.

Canada Hibernia Holding Corporation was established in 1993 and holds and manages the federal government’s minority ownership interests of 8.5% and 5.67% in the Hibernia Development Project (“HDP”) and Hibernia Southern Extension Unit (“HSE Unit”) respectively (together “Hibernia”), which is an oilfield offshore Newfoundland and Labrador.

CDEV doesn’t have any non-operational subsidiaries during this reporting period.

## Organizational Structure

CHHC reports to Parliament through its parent company, CDEV, and is managed in Calgary, AB by a small group of professionals which is experienced in the oil industry and provides expertise in technical operations, marketing, transportation, and finance.

Two full-time CDEV employees are dedicated part-time to Access to Information and Privacy (“ATIP”) activities for CDEV and its subsidiaries, excluding TMC which has its own ATIP Coordinator and staff. The ATIP department consists of the ATIP Coordinator and one analyst. CDEV retains advice from external legal counsel and independent consultants as needed. CDEV currently has one independent ATIP consultant working approximately 0.25 FTEs.

Summaries of completed Access to Information requests are published on the Open Government portal monthly. The ATIP Analyst is responsible for creating and publishing monthly request summaries and travel and hospitality expenses. As well, the Analyst posts reports tabled in Parliament (such as annual reports or corporate plan summaries) in a timely manner to respect the legislated timelines. The Chief Financial Officer reviews and approves the monthly travel and hospitality disclosures, as well as the reports tabled in Parliament before they are published on the website. The ATIP Coordinator reviews and approves monthly *Access to Information Act* summaries and Annual Reports before they are published.

The Corporation is party to management service agreements with CDEV under section 96 of the Act.

## **Delegation Order**

The Delegation of Authority Order (Appendix A) is reviewed annually by the head of the organization. The authority to approve or deny the release of departmental information requested under the *Act* is shared by the CEO and the ATIP Coordinator of CDEV.

## **Performance and Highlights of the 2023-2024 Statistical Report**

Appendices B and C are intended to provide a summarized statistical report on the *Access to Information Act* from April 1, 2023 to March 31, 2024.

The Corporation did not receive any requests under the *Act* or consultations during this reporting period nor in the preceding five years.

No active requests are outstanding from previous reporting periods.

No active complaints are outstanding from previous reporting periods, and none were received during the current reporting period.

The Corporation has not received any consultation requests from another government institution. None were carried over from the previous reporting period.

A Supplementary Statistical Report is included in this report.

## **Training and Awareness**

CDEV management meets regularly with the ATIP office to discuss specific requests and consultations as required. Management is briefed on the status of files and reporting requirements on a regular basis. Summaries of formal and informal ATIP requests as well as consultations and any complaints if any for CDEV and its subsidiaries are presented to the board of directors at least annually.

ATIP training was provided to all new staff and directors of CDEV and some subsidiaries in January and June 2024. The sessions consisted of two parts, the first being a general information session and the second being an in-depth briefing targeted dominantly at the offices of primary interest.

Informal briefings, and one-on-ones, are scheduled as needed. The executive team is informed by email as soon as a new request is received.

## **Policies, Guidelines, Procedures and Initiatives**

There were no changes to policies, guidelines, procedures or technology relating to ATIA during the reporting period.

## **Proactive Publication under Part 2 of the ATIA**

CDEV is an agent Crown corporation listed in Schedule III, Part II of the *Financial Administration Act*. CDEV is subject to proactive publication requirements pursuant to sections 82, 83 and 84 of the ATIA. Travel and Hospitality expenses are published within 30 days after the end of the month

These are published on CDEV's website in both official languages (<https://cdev.gc.ca/reports-expenses-meetings/>). ### Initiatives and Projects to Improve Access to Information

In addition to traditional methods of receiving requests such as mail and electronic mail, CDEV uses ATIP Online Management Tools (“AOMT”) to receive requests from the public.

CDEV utilizes Access Pro Case Management Redaction software as needed to process requests and apply relevant redactions if and when necessary.

CDEV’s website contains a section dedicated to Access to Information and Privacy, where individuals can learn about CDEV’s activities and make a request for information. CDEV’s website has been upgraded to meet accessibility requirements.

### Summary of Key Issues and Actions Taken on Complaints

No complaints were filed with the Information Commissioner of Canada against the Corporation in 2023-2024 and there are no active complaints outstanding from previous reporting periods.

### Monitoring Compliance

No monitoring was necessary during this period; however, outstanding requests are reviewed regularly to ensure the file is current and processing times are met. The ATIP department holds weekly meetings to ensure that all files are being processed efficiently, timely and in accordance with the Act.

The ATIP office uses file trackers and calendar reminders; files are kept and updated to ensure that all requests and their deadlines, as well as any extensions, are being accurately tracked and respected. Requests are reviewed to determine whether consultations are necessary and are taken only when required for the proper exercise of discretion or if there is an intention to disclose. Where information is requested and similar requests have been made, we will refer the requestor to these previous releases as well.

AOMT is accessed every Monday and Friday by the ATIP department to make sure that all new requests have been noted and accounted for.

Summaries of the completed requests under the *Access to Information Act*, that are published on the Open Government portal monthly, are verified for accuracy before, and once they have been published. In case of any discrepancies, relevant corrections are made. Individuals can also submit informal requests for information using the Open Government portal. CDEV adds these to a tracking schedule upon receipt.

Proactive disclosure of travel and hospitality expenses of CDEV, and subsidiaries, are senior management reviewed and once verified for accuracy are posted on a monthly basis on the CDEV corporate website
