Appendix A – *Privacy Act* Designation Order

Introduction

The *Privacy Act* (Revised Statutes of Canada, Chapter A-1, 1985) was proclaimed on July 1, 1983. The *Privacy Act* (the “Act”) extends to individuals the right of access to information about themselves held by federal institutions, again subject to specific and limited exceptions. The law also protects the individual’s privacy by preventing others from having access to personal information and gives individuals substantial control over its collection and use.

This Annual Report to Parliament on the administration of the *Privacy Act* is prepared and tabled in Parliament in accordance with section 72 of the *Act* and covers the period from April 1, 2024 to March 31, 2025.

Canada Growth Fund Inc. (“CGF” or the “Corporation”) became subject to the *Privacy Act*, on December 13, 2022.

Canada Growth Fund Inc. (“CGF” or the “Corporation”) was incorporated under the *Canada Business Corporations Act* in December 2022 with the mandate to make investments that catalyze substantial private sector investment in Canadian businesses and projects to help transform and grow Canada’s economy at speed and scale on the path to net zero. CDEV and CGF have entered into an Investment Management Agreement (“IMA”) with the Public Sector Pension Investment Board (“PSP Investments”) and a new subsidiary of PSP Investments, Canada Growth Fund Investment Management Inc. (“CGFIM”). This formalizes the corporate structure whereby CGFIM provides investment management services to CGF and reports to the CGF Board. CGFIM has its own separate ATIP department overseen by PSP Investments and prepares its own Annual Reports in regard to the application of the Acts

Organizational Structure

CGF reports to Parliament through its parent company, CDEV and the Minister of Finance.

CGF has no employees and its operations are managed by CDEV employees. CDEV is based in Toronto.

Two full-time CDEV employees are dedicated part-time to Access to Information and Privacy (“ATIP”) activities for CDEV and its subsidiaries, excluding TMC which has its own ATIP Coordinator and staff. The ATIP department consists of the ATIP Coordinator and one analyst. CDEV retains advice from external legal counsel and independent consultants as needed. CDEV currently has one independent ATIP consultant working approximately 0.25 FTEs.

The Corporation is party to management service agreements with CDEV under section 73.1 of the *Privacy Act*.

Delegation Order

The Delegation of Authority Order (Appendix A) is reviewed annually by the head of the organization. The authority to approve or deny the release of departmental information requested under the *Act* is shared by the General Counsel and Corporate Secretary and the ATIP Coordinator as delegated by the President and Chief Executive Officer of CDEV.

Performance and Highlights of the 2024-2025 Statistical Report

During April 1, 2024 to March 31, 2025, no new requests were received during the reporting period, and none were carried over from the previous fiscal year.

No active requests are outstanding from previous reporting periods.

No active complaints are outstanding from previous reporting periods, and none were received during the current reporting period.

No consultations for other institutions were completed during this reporting period.

Training and Awareness

CDEV management meets regularly with the ATIP office to discuss specific requests and consultations as required. Management is briefed on the status of files and reporting requirements on a regular basis. Summaries of formal and informal ATIP requests as well as consultations and any complaints if any for CDEV and its subsidiaries are presented to the board of directors quarterly.

General ATIP training is provided to all new staff and directors of CDEV and subsidiaries. The sessions are structured into two parts, the first being a general information session and the second being an in-depth briefing targeted dominantly at the offices of primary interest.

Informal briefings, and one-on-ones, are scheduled as needed. The executive team is informed by email as soon as a new request is received

Policies, Guidelines, Procedures and Initiatives

CDEV's privacy policy, which applies to CGF, is reviewed by the board of directors regularly and amended as required. The privacy policy was last reviewed and updated in May 2024.

There were no new and/or revised institution-specific privacy related policies, guidelines, procedures or initiatives implemented in the institution during the reporting period.

Initiatives and Projects to Improve Privacy

In addition to traditional methods of receiving requests such as mail and electronic mail, CDEV uses ATIP Online Management Tools ("AOMT") to receive requests from the public.

CDEV utilizes Access Pro Case Management Redaction software as needed to process requests and apply relevant redactions if and when necessary.

CDEV's website contains a section dedicated to Access to Information and Privacy, where individuals can learn about CDEV's activities and make a request for information. CDEV's website has been upgraded to meet accessibility requirements.

Summary of Key Issues and Actions Taken on Complaints or Audits

No complaints were filed with the Privacy Commissioner of Canada against the Corporation in 2024-2025 and there are no active complaints outstanding from previous reporting periods.

Material Privacy Breaches

There were no material privacy breaches during the reporting period, and none were reported to the Office of the Privacy Commissioner or the Treasury Board of Canada Secretariat.

Privacy Impact Assessments

At March 31, 2025, no required privacy impact assessments have been identified by the Corporation. No privacy impact assessments were completed during the reporting period.

Public Interest Disclosures

No public interest disclosure was made under paragraph 8 (2)(m) of the *Privacy Act* in this reporting period.

Monitoring Compliance

Outstanding requests are reviewed regularly to ensure the file is current and processing times are met. The ATIP department holds weekly meetings to ensure that all files are being processed efficiently, timely and in accordance with the Act.

The ATIP office uses file trackers and calendar reminders; files are kept and updated to ensure that all requests and their deadlines, as well as any extensions, are being accurately tracked and respected. Requests are reviewed to determine whether consultations are necessary and are taken only when required for the proper exercise of discretion or if there is an intention to disclose. Where information is requested and similar requests have been made, we will refer the requestor to these previous releases as well.

AOMT is accessed every Monday and Friday by the ATIP department to make sure that all new requests have been noted and accounted for.
