Appendix A – *Access to Information Act* Delegation Order

Introduction

The *Access to Information Act* (Revised Statutes of Canada, Chapter A-1, 1985) ("the Act") was proclaimed on July 1, 1983. The Act gives Canadian citizens and permanent residents a broad right of access to information contained in government records, including Crown Corporations, subject to certain specific and limited exceptions.

This Annual Report to Parliament regarding the application of the Act is prepared and tabled in Parliament in accordance with section 94(1) of the Act and covers the period from April 1, 2024 to March 31, 2025.

Canada TMP Finance Ltd. ("TMP Finance" or "the Corporation"), formerly known as Project Deliver I, became subject to the *Access to Information Act* upon incorporation on May 28, 2018.

Canada TMP Finance Limited's primary responsibility is to provide financing to its subsidiary, Trans Mountain Corporation ("TMC"). TMC was incorporated in 2018 and has a mandate to operate, optimize and grow the Trans Mountain and Puget Sound Pipelines in a commercially viable manner. TMC has a corporate structure with approximately 700 employees led by a seasoned executive team and a new CEO appointed in 2024.

TMP Finance is a wholly-owned subsidiary of the Canada Development Investment Corporation ("CDEV") and has no employees. Day-to-day operations are administered by CDEV employees in Toronto, Ontario.

Organizational Structure

TMP Finance is the parent company of TMC and reports to Parliament through the Minister of Finance. TMC has a corporate structure with approximately 700 employees led by a seasoned executive team.

Two full-time CDEV employees are dedicated to Access to Information and Privacy ("ATIP") activities for CDEV and its subsidiaries on a part-time basis, (excluding TMC which has its own ATIP Coordinator and staff). The ATIP department consists of the ATIP Coordinator and one analyst. CDEV retains advice from external legal counsel and independent consultants as needed. CDEV currently has one independent ATIP consultant working approximately 0.25 FTEs.

Summaries of completed Act requests are published on the Open Government portal monthly. The ATIP Analyst is responsible for creating and publishing monthly request summaries and travel and hospitality expenses. Also, the Analyst posts reports tabled in Parliament (such as annual reports or corporate plan summaries) in a timely manner to respect the legislated timelines. The Chief Financial Officer reviews and approves the monthly travel and hospitality disclosures, as well as the reports tabled in Parliament before they are published on the website. The ATIP Coordinator reviews and approves monthly Act summaries and Annual Reports before they are published.

For a breakdown of the group(s) and/or position(s) responsible for meeting each applicable proactive publication requirement under Part 2 of the Access to Information Act, see the section "Proactive Publication under Part 2 of the ATIA", below.

The Corporation is party to management service agreements with CDEV under section 96 of the Act.

Delegation Order

The Delegation of Authority Order (Appendix A) is reviewed annually by the head of the organization. The authority to approve or deny the release of departmental information requested under the Act is shared by the General Counsel and Corporate Secretary and the ATIP Coordinator - as delegated by the President and Chief Executive Officer.

Performance and Highlights of the 2024-2025 Statistical Report

During April 1, 2024 – March 31, 2025, no new requests under the Act were received. Since its incorporation in May 2018, TMP Finance has received no formal or informal requests and no consultations from other institutions.

No active requests are outstanding from previous reporting periods.

No active complaints are outstanding from previous reporting periods, and none were received during the current reporting period.

Training and Awareness

CDEV management meets regularly with the ATIP office to discuss specific requests and consultations as required. Management is briefed on the status of files and reporting requirements on a regular basis. Summaries of formal and informal ATIP requests as well as consultations and complaints for CDEV and its subsidiaries are presented to the board of directors quarterly.

General ATIP training is provided to all new staff and directors of CDEV and subsidiaries. The sessions are structured into two parts, the first being a general information session and the second being an in-depth briefing targeted dominantly at the offices of primary interest.

Informal briefings, and one-on-ones, are scheduled as needed. The executive team is informed by email as soon as a new request is received.

Policies, Guidelines, Procedures and Initiatives

There were no changes to policies, guidelines, procedures or technology relating to ATIA during the reporting period.

Proactive Publication under Part 2 of the ATIA

Initiatives and Projects to Improve Access to Information

In addition to traditional methods of receiving requests such as by physical mail and electronic mail, CDEV uses ATIP Online Management Tools ("AOMT") to receive requests from the public.

CDEV utilizes Access Pro Case Management and Redaction software as needed to process requests and apply relevant redactions.

CDEV's website contains a section dedicated to ATIP, where individuals can learn about CDEV's activities and make a request for information. CDEV's website has been upgraded to meet accessibility requirements.

Summary of Key Issues and Actions Taken on Complaints

No complaints were filed with the Information Commissioner of Canada against the Corporation in 2024-2025 and there are no active complaints outstanding from previous reporting periods.

Monitoring Compliance

No monitoring was necessary this period, however, AOMT is accessed every Monday and Friday by the ATIP department to make sure that all new requests have been noted and accounted for.

Summaries of the completed requests under the Act, which are published on the Open Government portal monthly, are verified for accuracy before, and once they have been published. In case of any discrepancies, relevant corrections are made. Individuals can also submit informal requests for re-release of previous requests made under the Act using the Open Government portal. CDEV adds these to a tracking schedule upon receipt.

Proactive disclosure of travel and hospitality expenses of CDEV, and subsidiaries, are senior management reviewed and once verified for accuracy are posted on a monthly basis on the CDEV corporate website.
